

RETAIL WORKER SAFETY ACT ENHANCE SAFETY FOR YOUR EMPLOYEES

The state of New York recently signed **the Retail Worker Safety Act (S. 8358B/A. 8947C)** into law, mandating the installation of panic buttons in large retail stores. This legislation aims to enhance safety for retail employees by providing a quick way to alert authorities in case of emergencies.

Gladd Security provides retailers of all sizes with reliable and customized solutions to ensure compliance with state law.
